TESTIMONY OF THE PROF. OF ORSTETRICS IN PENN. COLIGE, PHILADELPHIA.—DR. HUNTER'S MEDICAL MAN. UAL.—The author of this work unlike the majority of those works who advertise to cure the diseases of which it treats, s a graduate of one of the best Colleges in the United States. If affords me pleasure to recommend him to the unfortunate, or to the victim of malpractice, as a successful and experienced practitioner, in whose honor and integrity
hey may place the greatest confidence.

JOSEPH LONGSHORE, M. D.
FROM A. WOODWARD, M. D., OF PENN. UNIVERSITY, PHIL-

ADELPHIA.—It gives me pleasure to add my testimony to the professional ability of the Author of the "Medical Man-ual." Numerous cases of Diseases of the Genital Organs, some of them of long standing, have come under my no-tice, in which his skill has been manifest in restoring to perfect health, in some instances where the patient has been considered beyond medical aid. In the treatment of Semi-nal Weakness, or disarrangement of the functions, produced by self abuse or excess of vertery, I do not know his supe-ior in the profession. I have been acquainted with the Author some thirty years, and deem it no more than justice to him, as well as a kindness to the unfortunate victim of early indiscretion, to recommend him as one, in whose professional skill and integrity, they may safely confide them-selves. ALF. WOODWARD, M. D.

"This is, without exception, the most comprehensive and ntelligible work published on the class of diseases which t treats. Avoiding all technical terms, it addresses itself to the reason of its readers. It is free from all objections ble matter, and no parent, however fastidions, e to placing it in the hands of his sons. The author has devoted many years to the treatment of the various complaints treated of, and 'with too little breath to puff,' and 'too litthe presumption to impose," he has offered to the world at the merely nominal price of 25 cents, the fruits of some twenty years most auccessful practice."—Herald. "No teacher or parent should be without the knowledge imparted in this invaluable work. It would save years of

pain, mortification and serrow to the youth under their charge."—People's Advante.

A Presbyterian clergyman in Ohio, in writing of "Hunter's Medical Manual, says.—"Thousands upon thousands of our youth, by evil example and influence of the passions, have been led into the habit of self-pollution without realizing the sin and fearful consequences upon themselves and posterity. The constitutions of thousands who are raising families have been enfeebled, if not broken down, and they do not know the same or the own. Another that can be come of the own. do not know the cause or the cure. Anything that can be done so to enlighten and influence the public mind as to check, and ultimately to remove this wide spread source of human weetshedness, would confer the greatest blessi next to the religion of Jesus Christ, on the present n next to the religion of Jesus Christ, on the present and coming generations. Intemperance (or the use of intoxicating drinks,) though it has slain thousands upon thousands, is not a greater scourge to the human race. Accept my thanks on behalf of the afflicted, and, your co-worker in the good work you are so actively engaged in."

LETTERS FROM HIGH AUTHORITY.

Hon, J. J. Middleton, of Waccamaw, S. C., writes us under date of May, 2d, 1858, that Radway's Recorating Resolvent cured one of his negroes, on his plantation at Beanfort, of a Scrofulous complaint, of many years' standing. The poor fellow was a disgusting object of pity; he was a moving mass of sores. The other negroes could not remain in the same place with him. He was entirely cured by Radway's Renovating Resolvent, and is now at work upon the plantation. To the people of S. C. Mr. Middleton is well known, and to the political world Mr. Middleton is no stranger.

NINETEEN YEARS.—Mr. Henderson, of Westford,
Mass, has been covered with sores for nineteen years, and

cured by R. R. Resolvent. SALT RHEUM.—The most obstinate cases of Salt Rheum will quickly yield to the RENOVATING RESOLVENT. One gentleman who supposed that this complaint was be-reditary in his family, and had been affected with Salt Rhemm since his birth, was cured by the use of a few bottles of the renovating Resolvent, and the poisonous Rheum en-tirely cradicated from his system. IT REGENERATES every organ and member of the

it is unsurpassed. We do not place this Cordial on a fooling with quack medicines, and, as is customary, append a long list of Recommendations, Certificates, &c., beginning with"Hear what the Preacher says," and such like; it is not necessary, for "Henry's Invigorating Cordial," only needs a trial to prove that it will accompiled all we say. The Genuine "Henry's Invigorating Cordial," is put up in 8 ox Pannel Bottles, and is easily recognized by the Manufacturer's signature on the label of each Bottle, (to counterfoit which is forgery.) as well as the name blown in

the glass.

The public are assured that it is not only certain in its of outs as a Tonic, but being composed entirely of vegetable medicines, is perfectly innocent in all cases or circum-stances, and may be given to females, infants, and all per-sons of debilitated and delicate constitutions; without the least fear whatever of any unpleasant effect. This Medicine is composed of articles of the primest and purest quality, and is always made by the proprietor in person, after the established forms of pharmacy (which cannot be said of the many Tonics now flooding the Western and Southwestern country) and in this respect alone is rendered greatly superior to the remadies usually prepared and sold in the country.

By its aperient and powerful disphoretic properties, added to its Tonic quasities, it is rendered eminently superior to quinine and other remedies as a general and popular Tonic in all cases whatever, where Tunics are proper to be administered. The proprietor, therefore, respectfully invites practitioners and the public generally to give it but a fair trial, and they will then be convinced of its great superiority over all other remedies now in use for the purpose riority over all other remedies now in use for specified. specified.

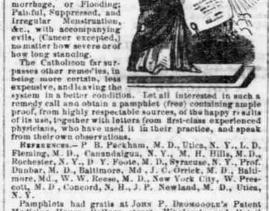

Persons living in districts of country subject to Ague and Fever, thills and Fever, or Hillons Fevers, would do well to keep a supply of this valuable remedy always on hand.

Messrs. Brach & Browson-Sirs: I sond for another bottle of your Marchis's Uterine Catholicea." My wife has been afflicted for eleven years, and a variety of means has been resorted to for relief, but none was obtained until I received this medicine from you. Its influence seems almost magical: there was a manifest improvement from the day it was taken.

As there are a great many families in our country laboring under the affliction for which your medicine proposes a remedy, I feel it a duty to recommend it to all such.

DR. ROSS would respectfully invite the attention of the public to a NEW AND INPROVED METHOD OF INSERTING ARTIFICIAL rgers, upon which he has been for some time practicing with great success.

The improvement consists in the teeth being arranged up-

on a plate of sure platinum, and by means of a silicious compound the teeth and plate are cemented firmly together, leaving no interstices for the lodgment or secretion of food; at the same time forming an artificial gum beauti'ul and life-like in appearance, and which is represented on the inside of the teeth as well as out.

Those interested are invited to call and examine specimens of this improved method at his operating rooms, No 57, up stairs, College st.
